

3" SOLID WOOD reverse knife edge

Shown in solid walnut, plain sliced walnut veneer and brushed stainless steel • Available in a variety of materials to meet your custom design needs
A comfortable 20 inches of leg room between the table edge and base

WallGoldfinger's 3" Solid Wood reverse knife edge provides you:

- a reverse knife edge to hide wear and tear
- the integrity of a 3" solid wood edge
- options for a radius or square edge
- a contemporary, thin look
