CONFERENCE TABLES AND CREDENZAS

**WALLGOLDFINGER**  
FURNITURE

# SPECIFICATIONS

## SIZES

60"x 60"    60" x 90"    60" x 120"    60" x 150"    60" x 180"    60" x 210"    60" x 240"

Ask about custom widths and lengths

## TECHNOLOGY AND EDGES

Choose tabletop power and data boxes for a thinner edge

Overlay Edge, 3/8" glass or 3/4" veneer or stone above 1" thick solid wood reverse knife edge with 1/4" flat, natural, stained, or finished with opaque urethane

Choose apron mounted power for a pristine tabletop

3/8" glass or 3/4" veneer or stone above approximately 2 1/2" thick solid wood reverse knife edge with 1/4" flat, natural, stained, or finished with opaque urethane

Choose power drawers for a pristine tabletop and hidden technology

3/8" glass or 3/4" veneer or stone above a 1/2" reveal and a solid wood reverse knife edge with 1/4" flat, natural, stained, or finished with opaque urethane (profile changes based on top material)

## BASES

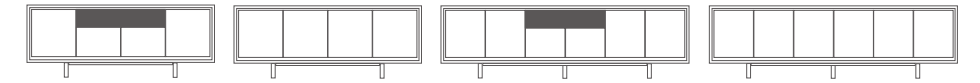

4" x 24" pedestal    8" x 24" center pedestal    4" x 24" pedestal with 4"x10" add-on

Engage bases are meant to be thin. The base design allows for (1) or (2) materials. Bases include lift-off wire management access panels. Wider base designs increase space for wiring and allow a base to cover a floor core.

# CREDENZAS

## CLASSIC

24" deep | 6'-3" and 8'-3" widths | 29"h plus top material, if any

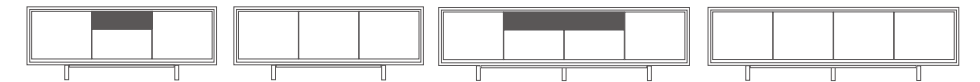

6"h square metal legs, veneer or urethane recessed panels, or recessed, angled, metal powder coated blade bases

Doors and drawers for storage, and pull out waste and recycling receptacles

Ask about custom sizes

## CHILL

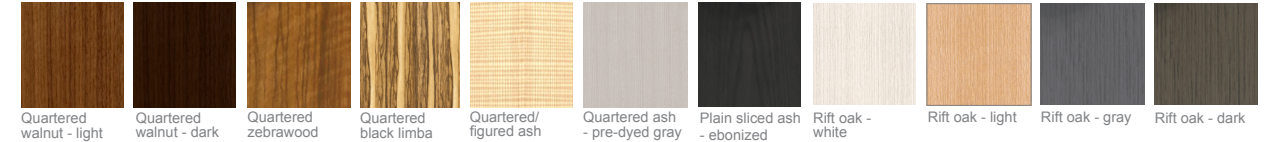

26" deep | 6'-3" and 8'-3" widths | 29"h plus top material, if any

Door and drawer widths expand to 24" to accommodate refrigerator drawers and larger AV racks; wire pass through provided for cords; refrigerator front ventilation grill painted to match credenza bottom reveal
