Arbor REMOVABLE POWER/DATA BOX

Add a WallGoldfinger Furniture removable power/data box to your Arbor table.

This ETL-listed box, which can be installed and removed with no tools required and affixes to the exterior of Arbor's upright storage carts when tables are not in use, includes:

- 2 simplex power outlets
- 2 charging USBs
- 2 openings for additional technology that can be added now, or later as your needs grow and change
- ETL-listed, quick connect DaisyLink power cords

This tabletop box is covered with a 6"x8" hatch lid available in veneer or metal.

CUSTOMIZE YOUR BOX

Work with your WallGoldfinger team or AV consultant to add other technology to this customizable box. Popular plate choices include:

2 RJ45s (data/network connectors)

1HDMI, 1 VGA and 1 mini-stereo

1 HDMI

1 VGA, 1 mini-stereo and 1 RJ45

3 RJ45s

Blank plate for later add-ons

2 openings for additional technology

2 simplex power outlets

6"x8" hatch lid

2 charging USBs

HOW IT WORKS

Quickly connect boxes table to table using quick connect plugs.

Secure ETL-listed cables under table tops using hook and loop strips.

Easily run cords to floor cores using brush minder wire management legs.

Store removable boxes on back exterior of upright table storage carts.
