

# LINEAR reverse knife edge

Shown in plain sliced walnut veneer and polished and brushed stainless steel • Available in a variety of materials to meet your custom design needs  
A comfortable 20 inches of leg room between the table edge and base

WallGoldfinger's *Linear* reverse knife edge provides you:

- the beauty of metal
- a smooth, rounded metal that feels good to the touch
- a solid metal free of seams and sharp ends that can separate
- a reverse knife edge to hide wear and tear
