

# CAPPED reverse knife edge

Shown in solid walnut, plain sliced walnut veneer and brushed stainless steel  
Available in a variety of materials to meet your custom design needs • A comfortable 20 inches of leg room between the table edge and base

WallGoldfinger's *Capped* reverse knife edge provides you:

- a reverse knife edge to hide wear and tear
- a smooth edge that is pleasing to the touch
- a complementary narrow solid wood edge
- a contemporary, thin look
