BOAT-SHAPED BOARDROOM TABLES

WALLGOLDFINGER
FURNITURE

SightLines boat-shaped boardroom tables by WallGoldfinger Furniture provide specifier's ease in choosing a high-quality boardroom table. Carefully designed and crafted, SightLines tables offer a unique edge profile, a variety of size options, ample material options, and discreet and modern under table technology for a pristine tabletop.

Pair SightLines boat-shaped boardroom tables with other WallGoldfinger Furniture, including Doko credenzas and waste receptacles that seamlessly complement SightLines' radiused edges.

Choose ease in specifying your boardroom table with SightLines and choose a manufacturer that you can feel good about. WallGoldfinger Furniture, a division of Mark Richey Woodworking, manufactures using renewable energies, burns manufacturing waste into heat, and is minority and woman owned.
