WallGoldfinger Furniture sources marble and granite from around the world, and around Vermont. Our Vermont sales office is located just 60 miles from Vermont Quarries Corp., home of the famed Vermont Danby marble. Vermont is additionally renowned for its bustling granite industry.

When you're looking to make a statement regarding the strength, integrity and reliability of your business, WallGoldfinger Furniture will work with you to create a full or partial stone tabletop.

Using state-of-the-art CNC and laser jet cutting methods, we'll precisely fit other project materials with your stone, melding edge details and inlays, wood veneers, technology needs and more into a stunning piece created exclusively for you.
