

# OVERLAY

## Reverse knife edge

*Shown in low iron, acid-washed glass back-painted white and high gloss gray lacquer on solid maple with a brushed stainless steel base. Available in a variety of materials to meet your custom design needs • A comfortable 20 inches of leg room between the table edge and base*

Your choice of back-painted glass or stone

WallGoldfinger's *Overlay* reverse knife edge provides you:

- the contemporary style and durability of glass
- a reverse knife edge to hide wear and tear
- a sleek, thin edge look
